# More than just standard bricks

---

**Whatever  
you need,  
we can  
get it.**

“

*The EH Smith materials treasure trove in Clerkenwell is an amazing resource for designers.*

*The huge array of beautiful clay pieces do far more than any website. The samples bring materials to life that create ideas.*

*The space is also remarkable as it is executed from ordinary parts. This 21st century Olivetti store is worth a visit on its own merits.*

*- Glenn Howells*

”
